## The Baptism of the Lord

Dear Sisters and Brothers,

We end the Christmas Season and begin the Season of Ordinary Time with the Feast of the Baptism of the Lord by John the Baptist. When Jesus was baptized He accepted the Mission that was the whole reason why He became a man. He began His public ministry which would end in the destruction of sin and hate with obedience to the Father and love for His people. Jesus embraced His Mission, defeated the devil, established the Kingdom of God, and then called on each of us to continue His ministry, more than that, to complete His ministry.

We are called to continue the Mission of the Jesus Christ in His Spirit, His Holy Spirit. We are determined to complete the work of the Master. We do this through our vocations to the married life, to parenthood, to the priesthood, to religious life, or to the life of the committed Catholic single. When we love others, we are continuing His Mission. When we say "No!" to sin and "Yes" to care for all who are hurting, we are continuing His Mission. When we respond to the Grace to do something for someone else, we are continuing His Mission. When we realize with our lives that we are not the center of the universe, but that Jesus is the Center, and our center, we are continuing His Mission.

"You are my Beloved Son. With you I am well pleased." This was the voice of the Father over the Son after Jesus was baptized by John. The Father was pleased that Jesus embraced His Mission. He is pleased when we continue Christ's Mission.

God bless you,

*Fr. Theemas*

### ST ANTHONY, ABBOT

Anthony "the Great", the "Father of Monks", ranks with those saints whose life exercised a profound influence upon succeeding generations. He was born in Middle Egypt (about 250) of distinguished parents. After their untimely deaths, he dedicated himself wholly to acts of mortification. One day while in church he heard the words of the Gospel: "If you wish to be perfect, go, sell what you have, and give it to the poor" (Matt. 19:21). It seemed as if Christ had spoken to him personally, giving a command he must obey. Without delay he sold his property, gave the proceeds to the poor, and went into the desert (about 270). When overcome by fatigue, his bed was the hard ground. He fasted rigorously, ate only bread and salt, and drank only water. Nor would he take food before sundown; at times he passed two days without any nourishment. St. Anthony lived in solitude for about twenty years. "His was a perfectly purified soul. Often, too, he spent whole nights in prayer. No pain could annoy him, no pleasure bind him. In him was neither laughter nor sadness. The sight of the crowd did not trouble him, and the warm greetings of so many men did not move him. In a word, he was thoroughly immune to the vanities of the world, like a man unswervingly governed by reason, established in inner peace and harmony." St. Anthony's memorial is on January 17th. St. Anthony, prayer for us!
