

HALLOWEEN - OCTOBER 31, 2024

DEAR PARENTS:

Next Thursday, October 31st is Halloween. The children

are permitted to wear their Halloween costume to school. No weapons may be used as part of their costume. No masks may be worn in the classroom - only for the parade.

All lunches are done at the regular scheduled lunch time. It is a hot lunch day. If you are planning on bringing pizza it must be served in the cafeteria during the lunch and the class moms must be present to give it out. Please make sure the class knows so that they do to order the hot lunch. The only exception is PreK 3 and 4 - they can eat lunch in their classroom if the teacher wants it that way.

The PreK and Kindergarten have their parade at 10:00 a.m. in the school parking lot. After their parade they go to lunch (10:30) After their lunch is when they have their Halloween party treats.

Grades 1 to 8 have lunch at their regular times. They will parade around the block at 1:00 p.m. Their Halloween party treats will follow the parade in their classrooms. If you are a class mom or dad please contact the classroom teacher. The 3rd floor classes have the parents drop off the treats in the morning. They do not want parents in the classroom. Please also check with the 2nd floor teachers.

Classes in the morning will be regular. We will follow a half day schedule so they get all their classes before parade time.

There will be AfterCare on Halloween if you need it.

Be safe and Enjoy.

Mrs. Durocher
